Certifying Officer
Office of Foreign Labor Certification
200 Constitution Avenue, NW, Room N-5311
Washington, DC 20210

POSITION AVAILABLE

Company: Tiger Analytics, Inc.
Position Title: Analytics Consultant (Business Analytics II)
Location: 5151 Headquarters Drive, Plano, TX 75024

Job description: Manage various data analytics client projects including projects in pricing, marketing, and supply chain management. Discuss key business objectives with stakeholders, understand how business users and customer data is collected, and suggest appropriate data collection methods. Work with business executives to understand business constraints that impact data science or machine learning models. Examine sample data and prepare a preliminary solution proposal document to present to clients. Extract, transform, and organize data into datasets. Lead data collection, validation, and analysis activities including risk, spend, commodity, and supplier information. Work with various technologies such as Tableau, QlikView, and SQL Server. Travel/relocate to various unanticipated locations throughout the U.S. for long- and short-term assignments at client sites.

Job requirements: Master's degree (or foreign equivalent) in Computer Science, Engineering (any), Business Administration, Statistics, Mathematics, Economics, or related field PLUS two (2) years of experience in the job offered or a related position. Alternatively, will accept Bachelor's degree PLUS five (5) years of described experience. Multiple positions available. Travel to unanticipated client and other office locations within the U.S., approximately 30%, as required. Any suitable combination of education, training, or experience is acceptable. May telecommute from any location within the U.S. Include Job Code: TAL-04.

40 hours / week, 9:00am-5:00pm, Salary \$141,773/year.

Please send resume to srijana.gurung@tigeranalytics.com. Reference job code TAL-04

This notice was posted in a conspicuous place at the work location, 5151 Headquarters Drive, Plano, TX 75024, for 10 consecutive business days, from 1/29/2026 to 2/23/2026. The notice remained clearly visible and unobstructed while posted during the entire period of posting.
